Product Allergen Information 21-22

Using the Food Pyramid as guide, Domino's can be part of a healthy, balanced diet. Because pizza is customizable, it is possible to enjoy a variety of foods (bread, vegetables, cheese and meats) on a single slice.

Domino's chooses its ingredients on the basis of safety, taste and nutritional content to bring consumers what they want. Domino's dedicates its attention, energy, and resources to one mission: deliver a delicious and hot pizza every time.

The pizza products listed in this publication, when made with approved Domino's Pizza ingredients, will provide the nutritional composition as indicated. Information may vary slightly depending on location and supplier. The nutrition information is generated by the industry standard Genesis R&D Nutritional software. The ingredient listings are provided by ingredient manufacturers.
